Descripton of accommodation

Relax in a pleasant living atmosphere and enjoy the natural location directly on the Alterbach.

A separate outside access brings you directly into the apartment via a partially covered 40m² terrace - exclusively at your personal disposal.

Newly adapted in 2015, brushed natural larch wood floors contribute to your well-being as well as a bathroom with morning sun (if the sun wants it) and a modern, functional kitchen with a ceramic hob, dishwasher, capsule coffee machine and steam cooker.

If you want to do something good for your health, you are welcome to use the sauna, which is located directly in the apartment. For walks or cycling you can use the stairway along the Alterbach. Via this path you can reach the city centre in 20-30 minutes by bike.

In 2 minutes on foot you can reach the bus, which takes you comfortably to the train station or the city centre in a few minutes. A well-assorted grocery store is also within walking distance in 2 minutes. Via the motorway junction Salzburg-North it takes about 15 minutes by car to the shopping centre Europark or to the airport.

Further amenities such as WLAN, washing machines/dryer combination in the bathroom, a complete set of towels and bed linen, a welcome gift are also available for you.

Enjoy your stay!
