Descripton of accommodation

The newly furnished apartment on the 2nd floor offers on the approximately 40 square meters an optically separated sleeping area, couch, extendable table, separate kitchen and a spacious balcony with a view of the mountains.

The modern kitchen is equipped with dishes, coffee machine, kettle, toaster, stove, oven and the usual cooking utensils. The bathroom is also newly renovated. Bath with splash guard, washbasin with enough storage space and toilet are in white design.

The vestibule with built-in cupboards offers enough storage space for the wardrobe.

The car can easily be parked directly in front of the house.

Washing and drying facilities are available in the well-kept building in sufficient size.

In the surrounding area there is a baker, food market, pharmacy, doctors and banks.

With the public means of transport you can reach the city centre shortly. It is also within walking distance with a nice walk along the Salzach river.

All in all, this quiet apartment with large glass fronts is located in one of the most popular residential areas of Salzburg.
