Description of accommodation

The flat consists of a fully equipped kitchen, bathroom, wardrobe and living/sleeping area. Within 20 walking minutes from the city center, two minutes to shops/supermarkets and two minutes to the bus station our guests can get everywhere very conveniently. Upon request a bike can be borrowed to explore the town. The bed is basically a pull out couch (can be closed according to your convenience during the day). However, there are two very comfortable mattresses placed on the couch - it feels like a bed but it technically is not a real bed.
