Description of accommodation

The 59m² flat on the 3rd floor (no lift) consists of:

Vestibule with access to the bathroom (equipped with a sink, a shower, a bathtub and a washing machine), WC, living room with integrated kitchen, balcony and couch (can be pulled out and used as a bed), eating area with table and chairs, sleeping room with a double bed, wardrobe and writing table with chair. Wireless Internet, no TV (can be provided if required). Long-distance heating.

The flat was recently reformed. The elegant old building is located around the corner of Lendplatz. The whole quarter has become popular among young creatives within the last year. The Lendplatz offers not only a farmer's market on weekdays but also several booths that serve regional specialities and organize music events. The pathway along the river Mur is only a few minutes away and invites you to run, cycle or skate on it. The city center, the art museum and the island in the Mur are fast accessible by walking.
