Descripton of accommodation

The 2018 completely renovated apartment with two rooms in a former old Viennese coachman's house (around 1830) offers peace and relaxation. It is located on the ground floor (one single step) in a small green courtyard. The foyer leads to a separate toilet, to the bathroom (with shower cubicle and washer-dryer) and to the kitchen-living room. There you will find a fully equipped kitchen with dishwasher, an extendable dining table for up to 4 persons, which can also be used as a workplace, as well as a seating area with a sofa bed, which provides sleeping space for two persons (160 x 200 cm). A flat-screen TV, an Internet radio and W-LAN provide entertainment, information and communication. The second room is furnished as a bedroom. There is a large double bed (180 cm wide) for first-class sleeping comfort and a large wardrobe with enough storage space even for a longer stay. Despite the convenient location, you will find an almost village-like peace and quiet in the apartment. On the walls hang paintings by Austrian Art Brut artists coming from Gugging.

! We always pay great attention to cleanliness and hygiene and disinfect all surfaces and handles before each arrival. Between stays, the flat is empty for at least 48 hours. The check-in is done personally, respecting the security measures (physical distance, mask, ...). Cleaning products are available.

For rental periods of less than 3 months, a local tax of 3.2% of the rental amount is to be deducted. This will be charged and collected separately.

Infrastructure

-  International Train Station Meidling, Metro, Tram, Bus, 4 minutes walk
-  Direct bus and tram connections to the center, about 16 minutes
-  Bus stop, 3 minutes walk
-  Market and supermarkets in walking distance

Shopping facilities are available at the multicoloured Meidlinger market and in various supermarkets nearby. Meidlinger Hauptstraße (5 minutes) is a pedestrian zone where many shops can be found.

Nearby are recreational facilities such as swimming pools or the park of Schönbrunn Palace with probably the most beautiful running track in Vienna.

In a walking distance of a few minutes you will find nice breakfast facilities, in a further radius (10-12 minutes) you will find traditional Viennese restaurants, international cuisine and also some upscale restaurants (information booklet is available in the apartment).

In only four minutes on the walk you are at the station Meidling, there you have:

- direct connections to the airport Vienna (approx. 30 min.)
- Connection to all long-distance trains (Railjet, ICE)
- the subway U6
- the express line
- several tram lines that lead directly to the city centre (approx. 15-20 min.)
- a taxi rank

The entire district is a short-term parking zone on weekdays (subject to charges). If you are travelling by car, we recommend the parking garage Arcade, which is about 500 m away (discounted monthly tickets) or the parking garage Meidling (discounted weekly, two-weekly and monthly tickets).

We will gladly help you with your arrival, give you useful recommendations for your stay and help you with the organisation (transfer to the airport for example).

Cyclists are welcome. You can park and lock up your own bikes in the roofed entrance of the house.
