Descripton of accommodation

The 2-room apartment is located on the outskirts. A district named Aigen which is located at the roots of the Gaisberg. It is suitable for nature lovers as well as for sporty enthusiasts.

The district of Aigen is a very rural, which covers everything from meadows to forests and invites to long walks or even a hike to the Gaisberg itself. All of this is reachable, directly from the apartment. If you love to travel with your bike you'll be lucky to read, that the apartment has its own cellar compartment, which can be used in the summer for bicycles and in winter for ski equipment.

The city lovers will also become excited. The old town can be reached directly on a leisurely stroll across the Salzach promenade. Those who prefer the comfortable way, can easily and quickly reach the city center with the bus lines 7 or 160, which leave directly in front of the residential area.

For everyday goods there are two supermarkets and a pharmacy in the immediate vicinity.

If you'll cross the Salzach, you can also devote yourself to a shopping tour in the 'Shopping Center Alpenstraße'.

If you would like to travel further, you can simply use the nearest motorway connection without having to torment yourself through the entire city traffic.

The apartment also provides you:

A washing machine and dryer combination,

an iron with ironing board,

a Nespresso machine,

Induction cooker,

Wireless Internet access,

To the front a small terrace and to the back a small garden which can be used by smokers. (It is forbidden to smoke inside!)

A couch which you can convert, by folding the backrest, to a sofa bed. In the worst case, another person can spend the night there, but it's placed in the main living area (kitchen-dining-living room) so it's not recommended.
