Descripton of accommodation

Live in the heart of Salzburg's old town in a historic house from the 13th century, where the well-known "Silent Night - Holy Night" composer Joseph Mohr was born.

This 94sqm apartment was architecturally designed with trendy details (such as a viewing window to the Kapuzinerberg) and offers stylish, modern individual living within a historic building for two to three people.

The elevator takes you directly to the apartment, which consists of a living-dining room, a designer stainless steel kitchen (Arclinea), a bedroom with dressing room and an extravagant bathroom and separate toilet.

A special highlight is the sun terrace and small garden. From here you can enjoy a wonderful panoramic view of the fortress and the domes of Salzburg's old town.
