Descripton of accommodation

The apartment is in the third floor in a nice and well-tended building and very calm.

The apartment was completely renovated in 2018 under consideration of the old structure (e.g. large rooms). It is furnished in a classic style with modern touch. It is representative.

From the large entrance (15,6 m²) you have access to all the rooms: the kitchen with nice eating place (12,5m²), the bed room (24m²), the living room (27m²), toilet[1,25m²) and the bathroom (5,5m²).

The boxspringbed (2meterx2meter) was extra designed. The entrance and the bedroom have generous storage place (built in closets), the kitchen is well equipped. The living room has a designer-sofabed.

Wifi and television is included.

The douche in the bathroom is in the bathtub. The toilet is separated from the bathroom.

In the neighborhood you find all you need for daily life as well as nice restaurants and coffeehouses. There are several public transport means in walking distance.
