Josefstadt, Vienna's 8th district, is a hip, densely populated inner city district. The main shopping street is Josefstädter Straße; there are unconventional shops and informal student bars here. The theater in der Josefstadt, which has existed since 1822, is one of many theaters. Among the clubs and concert venues in the Stadtbahnbögen, a center of hip nightlife under the subway's elevated route, the Rhiz and the Chelsea should be mentioned.

The center can be reached on foot in 5 minutes.

In the street there is a Denms organic supermarket and a Spar within walking distance.

The Cafe Hummel is open in the morning from 7:00 a.m. and invites you to have breakfast.
