## Descripton of accommodation

Next to the Prater leisure and recreation park, three stops to the center, two stops to the Danube Island (natural paradise): This spacious, central, yet quiet and newly renovated apartment (Oct. 2020) offers both: urban flair and countless opportunities for (sporty) free time activities.

The exhibition grounds and the university of economics are also within easy walking distance. You can reach the UNO in three stations. The modern and fully equipped apartment (72m2) has a spacious and open kitchen and living area with sofa bed and large dining table.

The large bedroom has a double bed, another small sofa bed and a desk.

The kitchen with a cozy bar contains, among other things, an espresso machine, coffee machine, microwave, kettle and toaster.

The bathroom is also very spacious with a large window facing the green inner courtyard. The bathroom, anteroom, toilet and dining area have underfloor heating.

Despite being close to the center and excellent transport connections (U1 and rapid transit to the main station, U2, rapid transit to the airport, buses, trams), the apartment is very quiet (residential street and green inner courtyard with bicycle parking space) with a very good infrastructure (grocery stores, drugstores, restaurants, fitness centers).
